To

Respected Dr Yogesh Ji Bendale,

We the members of Vidnyan Bharati Pune wish to congratulate you for your appointment as Vice President of the study group of Supportive Care for Geriatric Cancer patients by Canadian Multinational Medical Association.

It is an honour and a global recognition of your expertise and research in the field of Ayurved Therapy where Modern day western medicines have nothing to offer.

We are sure that you will utilise this opportunity to the fullest to showcase the innate strength our Bharatiya Ayurved to the entire world.

With best regards and wishes,

We remain,
